

Otter Lake Ratepayers' Association

Dear OLRA Members:

To better understand your interests, we are participating in an **important survey** on lake activities in partnership with *Safe Quiet Lakes*. We want to know the positives about activities on the water and the lake environment, and what, if anything, detracts from your enjoyment of the lakes.

We need to hear from everyone! We encourage you to complete the survey yourself and also to **forward this email to all family members and others who use the lakes.**

Your responses are entirely confidential. Results will be tabulated by an expert research firm, ERIN Research Inc., and reported in aggregate form. No individual participant or their responses will be identified. *Safe Quiet Lakes* will distribute a summary of the report available to participating associations and on its website members. Results will also be shared with elected officials, the OPP, Transport Canada and local media.

The survey is available from Wednesday, June 12 to Wednesday, July 10, 2013. Please complete this interesting survey now.

Thank you in advance for your participation and ongoing support.

Best regards,

Art Coles
President
Otter Lake Ratepayers' Assoc.

Note: If you have any difficulty accessing the survey, please email results@erinresearch.com and describe the problem.
